ABOUT GSA ALLIANT 2 SMALL BUSINESS

The General Services Administration (GSA) Alliant 2 Small Business (SB) is a Government-wide Acquisition Contract (GWAC). Alliant 2 SB is a multiple award, indefinite-delivery, indefinite-quantity (IDIQ) set-aside small business contract. As a prime awardee of the Alliant 2 SB GWAC, MetroStar Systems provides support for specific systems and applications, infrastructure, systems integration, information assurance, and related training and program management.

SCOPE

The scope of Alliant 2 SB is aligned with the Federal Enterprise Architecture, which encompasses all components of an integrated IT solution, including new technologies that may emerge during the life cycle of the contract. This GWAC provides IT solutions through a broad range of services, which may include the integration of various technologies critical to the services being acquired.

BENEFITS

- ✓ Allows for long-term planning of large-scale program requirements
- ✓ Conforms to Office of Management and Budget (OMB) policy mandates for IT investments and coincides with the current IT definition at any given time
- ✓ Offers flexibility of contract types for optimal risk mitigation
- ✓ Facilitates integrated IT solutions
- ✓ Enables innovative solutions at competitive prices from experienced providers
- ✓ Saves time and money by reducing procurement lead time
- ✓ Promotes contract compliance and reduced risk of adverse audits
- ✓ Enhances solutions and fosters competition
- ✓ Minimizes protest risk and supports timely order award for optimal mission support

GSA Alliant 2 SMALL BUSINESS
